EMBROIDERY

A thread just made to meet the new vogue for larger, more colorful embroidery that expresses the modern note so well.

These soft fluffy strands so like wool in appearance are made of purest cotton. They bring color and gaiety with magic-like quickness to cushions, runners, centre-pieces—to all those things you'll just love to beautify... now that embroidery has been made so speedy, so delightfully, wondrously easy!

Rich captivating colors... pastel shades of jewel-like beauty. Color-fast, of course.
